

Community Guidelines

Apartment Alterations

Holes should not be drilled in your apartment without our prior written consent, nor should any nails, hooks, or screws be used on any floors, doors, windows, tub, shower, appliances, or fixtures in the apartment.

Nothing should be fastened to the floors, doors, windows, walls, appliances, or fixtures in the apartment, the exterior walls, or porches of the buildings.

Please refrain from hanging signs, advertisements, or notices on the outside or inside of any apartment or building.

Locks on the doors leading to the apartment should not be altered without our consent. We must have a key to every lock at all times, and every lock must be compatible with the master key system for the building.

Common Areas

Common areas, sidewalks, entrances, lobbies, hallways, elevators, or stairways of the community should not be used for any purpose other than entry and exit. Please do not place or store furniture, equipment, or personal articles in any common areas for any period of time. We may remove any such items at any time, at your expense, including any storage costs.

Equipment Use

All equipment located in your apartment or community should be used in a reasonable and careful manner. Equipment includes such things as toilets, sinks, electrical, plumbing, heating, ventilating, air conditioning, building access system, elevators, appliances, or other facilities. If you or your family, guests, or visitors use any equipment in a manner that causes damage to the equipment, you could be held responsible for the costs of repairing or replacing it.

Facilities

If your community has a pool, you must pay any required fees prior to usage. For your safety, please obey all pool rules and regulations.

Games, sports, and other recreational activities are permitted only in designated areas. All rules and regulations must be obeyed including the days and hours that recreational facilities may be used.

We may at any time discontinue any recreational services or close down facilities either temporarily or permanently.

Heavy Items

Items which weigh more than we determine is reasonable for the floor loading of the apartment are not permitted. You must check with us before bringing heavy items (i.e., waterbeds, safes, etc.) into the apartment.

Motor Vehicles

Please keep in mind we may remove any vehicle at the owner's expense if it appears abandoned, inoperable, does not display an inspection sticker and/or license plates, or the inspection and/or registration is expired.

We apologize, but due to local water restrictions and hazardous substance ordinances, we cannot allow residents or their guests to work on their vehicles in the community parking areas. Vehicles may be washed only in designated areas. If there is no designated area, then washing vehicles is not allowed.

Community Guidelines

Peaceful Enjoyment

All residents, their family, and guests should conduct themselves in a manner that will not disturb their neighbors or community staff. Noise, odors, or any other actions that cause a disturbance are not permitted. Please do not interfere with the rights, comforts, or convenience of other residents or community staff.

Remember you are responsible for the conduct of your family, friends, guests, and anyone you invite into the community.

We will make reasonable efforts to stop neighbors from disturbing your peace, but we cannot be responsible for controlling their actions. If you are seriously disturbed by activities at your neighbor's apartment, please call the police.

Safety

Please do not bring anything into your apartment or the community that increases the risk of fire. Things that could cause an increased risk of fire include flammable oils, fluids, propane, benzene, gasoline, kerosene, or other hazardous materials.

Please refrain from cooking or barbecuing on a porch, patio, balcony, or within 15 feet of any building, except as expressly permitted by your community.

Satellite Dishes

Satellite dishes one meter or less in size are permitted upon your signing a Lease Addendum – Satellite Antenna and Dishes.

Recycling

Recyclable items have their own container in the trash compactor area.

Broiler

Please be aware that your oven has a broiler on the bottom. This is not a drawer. Absolutely nothing can be stored in this area. Before using your oven, please check your broiler area to make sure that it is free of any items, including any instruction manuals, etc., to avoid possible fire.

Parking

We allow two parking spaces per apartment. We also provide parking tags for each resident.

There are areas designated for visitor parking.

When parking, do not park in such a manner that any part of your car is hanging over the sidewalk or the grass area. During the summertime, it is difficult to mow, and in the winter, we have trouble removing snow from the sidewalk.

Please obey all parking and traffic regulations posted on any private streets, roads, or drives.

Parking areas are to be used only to park, load, and unload motor vehicles.

Please note that there are handicapped parking spaces that have been designated by the community. Please do not park in these spaces without a handicapped permit or your vehicle will be towed.

Your vehicle may be towed without notice at your expense if you:

- Park in a fire lane
- Park in a no parking area
- Block a fire hydrant, refuse container, another vehicle, sidewalk, or lawn

Oversized vehicles, commercial vehicles, recreational vehicles, boats, or trailers may not be parked in the community without our

consent.

Balcony/Patio/Terrace

Please do not use the balcony, patio, or terrace of your apartment to store personal property.

Additionally, no towels, rags, rugs, laundry, or other items should be hung from any balcony or terrace, nor should anything be thrown or dropped from the windows, balcony or terrace.

Please refrain from cooking or barbequing on a porch, patio, or balcony. You may barbeque fifteen feet away from the building.

Trash

All trash should be placed in plastic bags and disposed of in the appropriate waste containers. Bulk items should never be disposed of outside of waste enclosures or left on community grounds. Please do not place any trash in halls, stairways, balconies, or laundry rooms.

Trash should be put in the dumpster between buildings 5 and 9. All garbage is put together and separated after they take it. Just put the garbage in and shut the door. If you have cardboard boxes, they go in the back dumpster.

Front Doors

Please make sure the front doors to each apartment building are kept shut at all times. This will help keep the heat in during the winter months and help keep it cooler in the summer. It will also help to keep mice from getting into the buildings.

Lock-outs

In the event of lock-out, please call the office. There is a \$35 fee for after hours lock-outs.

Pets

Cats and dogs are welcome at Trexler Park.

There is a limit of two pets.

There is a \$200 non-refundable fee, a \$25/month fee per cat, and a \$50/month fee per dog.

No ferrets, snakes, or rabbits.

Pets are not allowed in the apartment without our prior written consent. If we have permitted you to have one, please keep your pet on a leash at all times. Remember, you are responsible for cleaning up after your pet.
